Notes:

- Keep in mind, some courses are very individualized and additional supplies may be required.
- Many of the above supplies are available at discount home centers, hardware and art supply stores. Look for student grade (**NOT professional**)!
- It is MANDATORY that every student has his/her supplies everyday and keeps them LOCKED in his/her Art Locker when not in use.
- "Borrowing" is discouraged.
- Students must CLEARLY AND PERMANENTLY MARK each item with his/her name.
- Any student who is financially unable to provide these supplies will be excused from this mandate, and be assured that the required art supplies will be discreetly provided. However, it is essential, we be informed in writing that this is the case.

**Having these supplies is an ongoing requirement.
ALL REQUIRED MATERIALS MUST BE REPLENISHED BY THE STUDENT
WHEN USED, LOST OR BROKEN.**

*Please note: SHOP SHOES must be closed-toed, sturdy uppers, preferably leather work type shoes. **Students will not be able to work in the shop in flip flops, soft canvas type shoes or shoes that do not adequately cover the feet. If they are taking Sculpture (11th & 12th) or Tooltime (woodshop-10th) this is critical, BUT EVEN IF a student needs to use the shop to build a stretcher for painting or printmaking, or needs to perform any other activity in the shop or courtyard, they are required to have this protection.** (These **WILL** be checked at the supply check. Students will not be able to enter or use the shop without them and not having them will affect their preparedness grade for the class.)
