SUMMER ACADEMY FOR
SCHOLARSHIP IN THE ARTS
MUSIC DIVISION

Dr. Herbert Karpicke, Administrator
Stephen Crawford, Program Director
Patrick Kelly, Administrative Assistant

The Houston Independent School District is offering instrumental music students the opportunity to improve and enhance their musical skills at the Summer Academy for Scholarship in the Arts.

Students will work daily with outstanding HISD music educators. The academy will focus on improving technique to enhance the student's level of performance.

Students will be taught in both large and small groups, getting both individual attention and experience in ensemble playing.

The Summer Academy will provide band and orchestra students the challenge of preparing a concert program of high quality music to be performed on the last day of the Academy. Piano students will perform a class recital on the last day.

A class is also offered for band students who need more individualized attention. This class will focus on giving students a solid foundation that will help them succeed in playing in an instrumental ensemble.

Students who do not own their own instrument should check with their school music teacher for rental options.

Transportation to and from the Summer Academy will be the student's responsibility.

For further information regarding the Summer Academy, contact Stephen Crawford at 713-807-5100.
